CARING FOR GOD'S CREATION

Saturday March 3, 2012 9am to 4pm @ Gruene UMC

Part of being good stewards is taking care of God's creation, the earth. This fun, informative event will not only inspire, but will give participants real, practical things they can do at their local church and in their daily life. The event starts with a morning worship and plenary session for everyone, followed by breakout sessions; choose three of the six offered. Have kids, bring them! Child care will be provided for the young ones, and a special program for elementary age kids will be offered that ties into the main event.
